COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the last annual meeting \$1,200.00 was appropriated to erect a memorial to the veterans of World War I, World War II, and the Korean Conflict. The Selectmen have approved having a granite monument with a bronze plaque attached, listing the names of gold star veterans. A check has been made with the Division of Veterans Affairs and the following list of names has been compiled: World War I—Vernon C. Judkins, and George A. Mundt. World War II—Stanley Allen, Harold E. Anderson, A. Traflet, Bartlett, Willard M. Bean, Parker T. Brown, Philip W. Daye 2nd, Donald F. Luxton, Robert L. Moore, Robert L. Morrill, Lawrence B. Perry, Charles O. Smith, Paul A. Stearns, and Ashby Tibbets. Korean Conflict—Joseph M. Coulombe, Sigurd C. Olson. The name of Frank Swan has been called to our attention but failed to find any record substantiating as to whether or not he should be listed.

This list of names is being published so that everyone may have an opportunity to know what is planned to put on the plaque. Anyone having information as to whether or not the above list is correct, or that names of any veterans from Bethel who died in action are left out, it will be appreciated if you will contact the Town Office within a few days with whatever information that you may have.

The annual application of asphalt on the streets and highways was started on Monday. As most of the ways are in good condition only a seal treatment is required.

The Zoning Board of Appeals held a hearing on June 10th and rendered an opinion in favor of a permit being issued to the Bethel Gun Club to maintain a rifle range on outer Vernon St.

Sincerely,
Harold L. Bean

N. T. L. TO BEGIN 13th SEASON HERE SUNDAY

Again this summer, as for the past twelve years, the National Training Laboratories is holding its National Training Laboratory in Group Development at Gould Academy.

The two 2-week summer laboratory sessions are devoted to the more effective development of human relations knowledge, insights and research on the part of various professional and volunteer leaders; and to development of abilities to overcome resistances to change in organizational and community relations.

This year there will be two sessions, the first for participants from all occupational fields and the second geared to the needs of the educational field. The first session will start on Sunday, June 21, and continue through Friday, July 10. The Education Lab, which will constitute the second session, will take place between July 19 and August 7.

Participants and staff in both sessions will come from all parts of the United States and from a number of foreign countries, reflecting the wide recognition being accorded to the National Training Laboratories and their laboratory approach to the training of leaders.

BETHEL YOUNG MAN IN NAVY'S GREAT LAKES OPERATION

Howard A. Crockett, seaman, USN, son of Mr. and Mrs. Lawrence Crockett of Route 1, Bethel, serving aboard the destroyer USS Putnam, is participating in "Operation Inland Seas," a cruise of 28 United States Navy warships to cities in the Great Lakes this summer.

The Navy fleet, which includes destroyers, a heavy cruiser and an amphibious force of seven ships, will visit 27 cities in the seven states bordering the Great Lakes. The ships will enter the Great Lakes on June 25 and return to the Atlantic Fleet in late July.

This is the first time a major fleet has been on the Great Lakes since the War of 1812. The entry of the ocean-going fleet is made possible by the opening of the recently-completed St. Lawrence Seaway.

METHODIST W. S. C. S. INSTALLS OFFICERS

The monthly meeting of the W. S. C. S. was held Wednesday evening at the Methodist Church. Rev. SOIL CONSERVATION

IN OXFORD COUNTY

By Lyman W. Jacobsen

Soil Conservation Service

Soil Conservation Service Technicians will assist in instruction of teachers at Conservation Workshop, under the supervision of Professor John Mudge, Farmington State Teachers College and Professor Robert Miller, Gorham State Teachers College.

Technicians S. Von Day, Cumberland County, and Lyman W. Jacobsen, Oxford County, will take part in the Conservation Workshop, at the Freeman-Waterhouse Campus at Bryant Pond. Frank Downie, Director of the Workshop, has announced that Day and Jacobsen will conduct the two day courses on soil conservation.

The first day will be spent in classroom discussion of soils —land use capability classes and soil conservation practices. The second day will be a field tour of farms where practices have been established on the land. The conservation Campus operates from June 15 to July 24.

Director Downie says that "the main purpose of the summer course in conservation is to encourage the teachers to integrate what they learn about conservation of natural resources into their regular courses whether they are social studies, sciences, civics or even mathematics." Downie continues to say that "In a nutshell, we want to develop a proper attitude toward the natural resources of the State of Maine, in our young people, to

No rest for this Chevy... round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fuelling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thrift-master 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action. The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability—in any weight class—at any price.

No job's too tough for a Chevrolet truck!

Mrs. Violet Swain, Cor. — Mrs. Eva Marston was severely burned at her home on June 4 when a gas burner on the stove failed to light. Reaching across the burner it lighted and burned her arm and set fire to her apron. She removed the apron and found the bottom of her dress was afire. In trying to get water to put the fire out she slipped and fell. She called her grandson, Gary, who came to her aid. She had managed to extinguish the flames but was badly burned. Her daughter, Mrs. George Fraser of Fryburg came to help over the past week end. She will take her two nephews, Charles Jr. and Gary back to Fryburg with her. Mrs. Marston planned to go to Mexico with her daughter, Mrs. Edith McKay, on June 9. Being there she will be closer to medical attention. She kept house for her son, Charles, and his two sons.

On June 9 Mrs. Barbara G. Melaner entertained in honor of her daughter, Diane's, fourth birthday. Games were enjoyed and refreshments of cake, ice cream and kool-aid served. Children attending were Wynona Byron, Vickie Melaner, Glendon White, Debbie Melaner, Ross Swain, Everett Byron, Gail White, Wayne Glinson, Gary Melaner, and the guest of honor, Diane Melaner. Mrs. Violet Swain also attended. Diane received nice gifts.

On June 8 Susan Bell celebrated her sixth birthday with a party given by her mother, Mrs. Cecelia Bell. Games were played and refreshments served. Those attending were Wendy, Gail and Helen Glover; Brenda White; Gary Melaner; Betty, Cindy and Ginny Bell; and Mrs. Harriet Glover assisted Mrs. Bell with the children.

Mrs. Marion Bragdon Davis and her son, Wayne, of Auburn, spent a few days visiting with Mr. and Mrs. Orville Melaner and with other friends in this community recently. She came to attend the East Andover School Teachers reunion. She taught here in 1942.

Mr. and Mrs. William Simmons Jr. were in Portland on June 9 on business. Mrs. William Simmons Jr. stayed at Bill's Store.

Bruce Melonds of Dedham, Mass., was in town on June 6 to attend the Alumni Ball, the guest of Miss Joan Simmon, a member of this year's graduating class.

Miss Jean Glinson left June 9 for Middle Dam where she has summer employment.

Mr. and Mrs. Howard Glover and Nancy were in Canton on June 9 to visit with her sister and husband, Mr. and Mrs. Peter Touchette and family. Nancy stayed there to be a guest of her aunt for several days.

Charles White has started his new home that will be on property next to his store.

On Tuesday, June 9, Mrs. Alfred Tucker was hostess to the members of the Community Club. The club now has a membership of 19 active members. Three attended this meeting. Reports were read. The Mother-Daughter Banquet cleared \$19.48. The Executive Committee had remembered Norman White. The new committee will be Mrs. Myra Crocker and Mrs. Mary Crocker. Alfred Tucker was the mystery package. The next meeting will be July 14 with Mrs. Violet Swain. Games were enjoyed and refreshments served honoring Mrs. Grace Simmons' birthday.

Mrs. William Simmons Jr. has completed her work at L.

Word was received in town on June 10 of the death of Norman (Paul) Cox of Zeigler, Ill. He was the husband of Roberta Abbott Cox and the father of two daughters. Mr. Cox had served in the Navy. He was a victim of leukemia. His father and an older brother, both died of this disease. Mrs. Cox expects a new baby in August. Her mother, Mrs. Dorothy Abbott left the last of May to be with her daughter.

A mouse visited in the back yard of Lester Farrington on June 7. Mr. Farrington walked up quite close and took pictures of the animal. It was seen again in that vicinity on the following morning.

The Ladies Aid met at the home of Mrs. Alma Hewey on June 10. A good attendance was there and most of them worked on articles for a future sale. The next meeting will be at the parsonage and later they will all go to the home of Mrs. Emily Thurston for the meeting. Refreshments were served.

On Friday, June 12, 15 members of the Andover Friday Club and four guests met at Snow Valley Inn for a luncheon meeting. A delicious meal was served. Following the luncheon the group retired to the reception room for a short meeting and election of officers. Plans for a Flower Show were discussed. The new programs were submitted by the Program Committee. Mrs. Ann Fox, Mrs. Marie Lang and Mrs. Laura Learned. Hostesses will choose their own dates. The Andover Friday Club was organized in 1925 and Federated in 1926.

Two Charter Members, Mrs. Lucie Swain and Mrs. Emily Thurston were present. Two others, Mrs. Gertrude Poor and Mrs. Helen Ripley were unable to attend. There is one other Charter member still living, Mrs. Katherine McAllister, who now lives on the Pacific coast. Discussed keeping a scrapbook of the club's activities. Newly elected officers for the coming year are President, Mrs. Lucie Swain; Vice President, Mrs. Ann Fox; Secretary, Mrs. Marjorie Hanson; Treasurer, Mrs. Adella Morton. Those present at the luncheon were Mrs. Madeline Wentzell, Mrs. Mary Crocker, Mrs. Lydia McGreger, Mrs. Ruth Akers, Mrs. Edna Palmer, Mrs. Marjorie Thomas, Mrs. Ann Fox, Mrs. Emily Thurston, Mrs. Lucie Swain, Mrs. Elizabeth Richards, Mrs. Elsie Dresser, Mrs. Marie Lang, Mrs. Laura Learned, Mrs. Marjorie Hanson, Mrs. Adella Morton.

District supervisors Oxford County Soil Conservation District, W. Henry Allen, of Hebron, on left and Robert Hastings, Bethel, inspect land levelling at Poland demonstration. A training school for district supervisors and technicians of the Soil Conservation Service was held recently at the Lionel Ferland farm in Poland. Attending were Allen, Hastings and Lyman Jacobsen, Oxford County soil conservation technician.

Land levelling is relatively new in Maine. The machine used to smooth land for hay, pasture or crops in 12 feet wide with an 8 foot 3 inch blade or planer.

Most land can be fitted by three trips around with the leveller. The main idea in land smoothing is to make surface water go off the land in a thin sheet, and to prevent winter killing from water remaining in pockets or depressions.

Good printing is a necessity in all forms of business. It can save hours of work, speed up routine tasks, eliminate common errors and help to avoid misunderstandings and costly delays or actual loss of business revenue.

Good printing is a convenience in the home. Inexpensive personal stationery is not only economical and in good taste but it is plain "good business" when used for other than social purposes. One's name and address plainly printed offer exact information of your identity in occasional correspondence.

The latest in modern business forms can be adapted to use in many comparatively small businesses. As a matter of economy of time and money, it will pay to see what we can do for you in this line.

Remember that printed matter can be bought at widely varying prices. The bargain hunter can only hope to get his money's worth. The cost of good printing need not be high, and the buyer is assured of satisfaction.

It will be of advantage to all users of printed matter to consult us before buying. We can supply calendars, NCR and one-time carbon forms, many kinds of forms and office supplies promptly and economically.

4-H Club News

The regular meeting of the Pith-In-and-Work 4-H Club was held in the Community Club House at Greenwood. The roll call was answered by reports of each ones progress on their project. Andrew Hawkins, Club Leader, briefed the members on the garden project. It was decided that the next meeting, June 27, will be regarded as the Club tour. The leader and members will go from house to house and inspect each ones projects. After the tour barbecued hot dogs

and punch will be served at the home of the leader, Andrew Hawkins.
